

Assignment Day 9

Monday, March 21, 2022 6:12 PM

- Create a new React Project "books-web"
- This project will have options to create a books website
- Refer to model implementation on : <https://ca-booksapi.herokuapp.com>
- Create empty components and screens based on the reference implementation
- You may try to see the design by putting dummy hard-coded data
- Organize the project as directed.
