Cover:_____
ISBN:_____
Description:_____

Return to home after saving

Book's Web   **Home   Add Book**

Big Book Cover image

The Accurse
Vivek Dutta Mis
Price:399
Rating:4.5
Description
…..
….

Consideration and Guidelines

- We don't need to connect to some server to get the data
- You can use array or localStorage to store the data
- You can have few hard coded books to be used in list and details screen
- We should be able to add additional book using add page
  - This book may be saved temporarily in array/localstorage

- You can use sample book details provided in the resources folder
  - Books5.json
